

NANTERRE (FRANCE)

OCTOBER 11th, 2024

The historical family shareholders of HELLA GmbH&Co KGaA, grouped together in a concert (see *Décisions et Informations AMF n°222C0301* of February 4, 2022) (herein after referred to as the "HELLA family shareholders" and the "family concert") have informed FORVIA SE and the French Financial Markets Authority of certain, statutory and legal, upward and downward share capital and voting rights threshold crossings (including a declaration of intent), which have not been declared within the required deadlines.

These crossings are mainly due to the acquisition by the family concert of double voting rights on January 31, 2024 and June 17, 2024 (in accordance with Article 24 of FORVIA SE's articles of association, all fully paid-up shares registered in the name of the same shareholder for two years carry double voting rights) and of certain individual movements within the family concert.

In accordance with article L. 233-14 of the French Commercial Code, any shareholder who has not duly declared the crossing of legal thresholds provided for in article L. 233-7 is barred from exercising the voting rights attached to shares in excess of the fraction not duly declared at any shareholders' meeting held within two years of the date on which the regularization of the notification is completed.

Based on the regularizations made to FORVIA SE and the French Financial Markets Authority, the family concert held on October 4, 2024, at market close, 17,384,186 shares (representing 8.82% of the share capital) to which are attached a total of 34,231,782 voting rights (representing 14.81% of the voting rights)¹, of which 11,646,666 voting rights may not be exercised by the family concert at shareholders' meetings until October 7, 2026 (included).

This will have no effect on the total number of theoretical voting rights published monthly by FORVIA SE.

¹ Based on a total number of 197,089,340 shares and 231,204,293 theoretical voting rights (FORVIA press release dated October 7, 2024 on the total number of shares making up the capital and voting rights at September 30, 2024).
